# COVERIS ADVANCED COATINGS RANKED IN TOP 300 BIGGEST COMPANIES IN WALES

**Coveris Advanced Coatings, UK 9/06/2015 – Coveris Advanced Coatings, UK was recently ranked in the Top 300 of the biggest companies in Wales by insider magazine for 2015.**

The company had moved up 10 places from its previous position in the 'insider Top 300' 2014 rankings; ranking inside the top 100 out of the list of 300 companies for 2015. With extensive experience in the coating and converting of film, foil and paper products, Coveris Advanced Coatings also develop, manufacture and distribute precision-coated papers, films and speciality substrates for digital imaging, electronics, medical and optical technologies.

The company is based on one of the largest industrial estates in Europe; Wrexham Industrial Estate, in North Wales, and has been manufacturing for 50 years. The company also has sites in North Carolina, USA and Massachusetts, USA and a converting and distribution centre in Guangzhou, China.

Peter Morris, Managing Director of Coveris Advanced Coatings stated: 'We are proud of the growth we have achieved over the past eight years and to be recognised as one of the top companies in Wales. This growth has supported our vision of focus on customers, employees, community and the environment, as well as enabling us to continue investment to support this vision. We have developed a strategy to further expand the company beyond the regions and markets we currently serve; to drive continued growth in the future.'
